

PAWNEE NATION POTABLE WATER APPLICATION
One Application Per Household

This request is for consideration to be included in the distribution of packaged potable water supplies in response to reducing the spread of Covid 19 caused by communal water sharing. This application will be used by the Pawnee Nation to support the allocation of this service to tribal community members.

ONE-TIME DISTRIBUTION

ADDITIONAL JUSTIFICATION FOR POTABLE WATER DISTRIBUTION:

The City of Pawnee monitors, tests, and corrects its water standards and has stated there is no potential adverse health effects. Although alternative water supplies may not be needed, this one-time distribution is being carried out to offer tribal citizens an additional source of water to keep on hand as the City of Pawnee continues to improve its water system and in response to the public health emergency.
